

Top 5 Hidden HAZARDS IN THE HOME

MAGNETS

Small powerful magnets, if swallowed, can attract inside the body and block, twist or tear the intestines. If you think your child has swallowed a magnet, seek medical attention immediately.

RECALLED PRODUCTS

Be aware of the latest safety recalls and get dangerous products out of the home. Sign up for recall notices now at www.cpsc.gov.

WINDOWS

Never place a crib or playpen near a window blind. To prevent strangulation use cordless blinds or install safety devices on blind cords; and install window guards or stops to prevent falls.

TIPOVER

Kids will climb. Top-heavy furniture, TVs and stoves can tip over and crush young children. Make them all more stable by installing anchors and brackets.

POOLS AND SPA DRAINS

Suction from a pool or spa drain can be powerful enough to trap a child or adult underwater. Inspect pools and spas for missing or broken drain covers.
